

Our Mission

ITNAmerica® imagines a day when all seniors will have access to transportation when they want it. We provide dignified community-based and community-supported transportation for seniors and the visually impaired.

ITNAmerica has affiliates from coast to coast. We provide an invaluable service to riders as well as adult children who no longer need to worry or leave work to give rides to their parents.

All donations to ITNPortland benefit the local community. ITN is a 501c(3) corporation. Your contribution is tax-deductible to the extent allowed by law.

Ready to trade or donate a car?

CarTrade™/Donation

Is your
car lonely?

“I decided to turn my car in a year early rather than 5 minutes too late.”

Your car means independence. But what if you haven't actually driven in many months or no longer have the ability to drive safely? The reassurance of knowing your car is in the driveway can become expensive. Insurance alone costs several hundred dollars a year, and unlike a home, an automobile depreciates in value. So every day your car sits in the driveway, it's worth less.

If you have a good car, one you've maintained for years with value you'd like to retain, you should talk to your Independent Transportation Network® affiliate about trading it for rides.

Here's how it works:

- Call ITN. A CarTrade representative can visit your home and help you set a price for your vehicle.
- Once you are satisfied, your ITN CarTrade funds your Personal Transportation Account for rides—wherever you want or need to go.
- ITN will collect your vehicle.

Does your household have a car that's not being used? By making a tax-deductible gift of your automobile to your ITN affiliate, you're helping older people remain active and independent members of the community.

We're a local charitable, non-profit organization that provides “door-through-door,” “arm-through-arm” transportation service to older people and people with visual impairments, 24 hours a day, 7 days a week.

“ITN is a lifesaver for me. It gets me where I want to go, and I don't have to burden my family.”

This donated car has delivered rides totaling over 80,000 miles.

How much is my car worth?

We determine the value using the Blue Book and the highest local value.

May I donate my car instead of trading it?

Yes. By making a tax-deductible gift of your car, you're helping to support safe mobility for seniors and the visually impaired.

How much of my car's value is a charitable deduction? If you donate your vehicle instead of trading it for rides, you may be able to declare a charitable contribution for tax purposes. Please consult your tax advisor or read the IRS guidelines at www.irs.gov/pub/irs-pdf/p4303.pdf.

How do trade-ins and donations help my local ITN affiliate? Every ITN affiliate uses traded and donated vehicles to replenish its fleet and to help subsidize member fares. ITN does not use taxpayer dollars. We rely entirely on voluntary, local community support.
