

## Our Mission

ITNAmerica® imagines a day when all seniors will have access to transportation when they want it. We provide dignified community-based and community-supported transportation for seniors and the visually impaired.

ITNAmerica has affiliates from coast to coast. We provide an invaluable service to riders as well as adult children who no longer need to worry or leave work to give rides to their parents.

All donations to ITNPortland benefit the local community. ITN is a 501c(3) corporation. Your contribution is tax-deductible to the extent allowed by law.

Dignified transportation for seniors

Driving means freedom and independence. You can have that feeling again. Independent Transportation Network® is a dignified transportation alternative for older people who can no longer drive. ITN provides rides in automobiles, 24 hours a day, 365 days a year, with drivers who are trained to ensure your safety and comfort.

So go ahead—schedule your medical and hair appointments. Make that list of errands. Set up a lunch date. Let ITN help you continue living an independent, connected life on your terms.

*“ITN is a lifesaver for me. It gets me where I want to go, and I don’t have to burden my family.”*

*“It’s wonderful to have this service. I’d be stuck in the house otherwise.”*

- Sign up for an annual membership and set up a pre-paid Personal Transportation Account™. No need to carry cash or tip drivers.
- You pay approximately half the true cost of each ride. ITN’s community fund-raising efforts make up the difference to keep rides affordable.
- Rides are available for any purpose 24 hours a day for people 65 years and older and visually impaired adults. Book your ride in advance and/or share your ride to save money.
- Ride in a private automobile with a trained driver.
- “Door-through-door” service includes help with steps and packages, heavy doors and walkers.
- Road Scholarships™ are available for low-income members.

Why not convert that depreciating asset sitting in your driveway into rides? Together, we’ll agree on a dollar value and put that amount in your Personal Transportation Account. CarTrade™ is a great way to “retire” your car and still have dignified transportation.

*“The drivers are competent, pleasant and delightful! Membership is easy!”*
